Building together to meet the challenge of the times.

University Library Centre — Sir George Williams Campus
Above is a view of the nine-storey terraced and recessed structure as seen from the Henry F. Hall Building. The plan, devised by the architectural firm of Sankey Werleman Guy/Blouin, Blouin has been cited for

fitting into the neighbourhood with "sensitivity" by Canadian Architect magazine which selected it for its award of excellence. The building will allow the library, as well as the Faculty of Commerce & Administration and several university departments to vacate scattered and costly rented facilities.

Vanier Library Extension — Loyola Campus
Lower illustration shows how extension (doubling Vanier Library space) will run east from the original block at left. Scattered facilities will be consolidated in the enlarged structure freeing areas for

other pressing needs. One of these is a senate chamber. Since Loyola and Sir George Williams merged, facilities have had to be rented at the PSBGM headquarters building.

National Chairman, William W. Stinson, President, Canadian Pacific Limited
"I think it is important that we have a strong Concordia in Montreal — and for people to appreciate that Concordia serves all segments of the community — all levels of society."

"So if people see this, if they want to see their city develop culturally and in economic terms, then they will see that

Concordia needs library and laboratory facilities and I believe we shall get these people on board to help us."

HEAD COACH

MIKE HICKEY

Mike is entering his eleventh season at Sir George/Concordia including the last eight as coach of the Concordia women's basketball team. During that tenure his teams have amassed a 208-123 won-lost record and five trips to the C.I.A.U. National Championships. He began his university coaching career when he took over the reins of the Sir George Williams Georgians in 1973, directing them to a 56-18 record including back-to-back trips to the Nationals in a two-year stint. With the merger of Loyola and Sir George in the spring of 1975, Mike assumed the role of women's coach of Concordia. Coach Hickey has been named twice as Quebec University Athletic Association "Coach of the Year". However, his coaching career has not been limited to Concordia. Mike has been involved with the Canadian National program beginning in 1976, when he became the first coach of the Canadian Junior National Women's team. Mike has assisted coach Jack Donohue and the Canadian National men's team since 1979 and accompanied the team to the World Championships in Cali, Columbia in 1982.

Last year, he successfully completed a Coaching Apprenticeship under the auspices of the Canadian Olympic Association. In addition, he frequently conducts player and coaches clinics and is co-ordinator of the Fast Break Basketball Camp. Mike played one year at St. Michael's College (Vermont) where he obtained a B.A. degree in 1971. He was Q.U.A.A. All-Star while taking post-graduate studies at Sir George. He lives in Dorval with his wife Judith and sons Christopher and Matthew.

LINDA MACPHERSON Assistant Coach

Linda returns to the Stinger coaching staff after helping lead Concordia to their best season in eight years. Her background, experience and aggressive approach to the game of basketball has proven to be an invaluable asset to coach Hickey. Linda is presently an animator in the Vanier College Athletic Department

and oversees the administration in both the men's and women's basketball programs. Her previous coaching experience includes two years with the Junior College National Champion, John Abbott Islanders and she has also assisted with the Quebec Elite Evaluation camps.

As a player, Linda will be remembered as a fierce competitor who earned All-Star honours during her two-year stint at Concordia. She also received a league All-Star selection in 1978-79, when she helped lead the Bishop's Lady Gaiters to a fifth-place finish at the C.I.A.U. Nationals. A graduate of Lindsay Place High School, John Abbott College and Concordia University, Linda presently lives in Baie d'Urfe with her husband Chris.

SUE HYLLAND Assistant Coach

Sue begins her first year on the Concordia coaching staff after an illustrious playing career. She first gained notoriety with the John Abbott Islanders, where she helped lead them to two National College Championships. She then moved on to Bishop's University and led the Lady Gaiters to three Q.U.A.A. titles and

was named first team All-Canadian in her final year. Upon graduation from Bishop's, Sue enrolled in the Concordia Sports Administration Program and was a starting member of the Stingers squad that reached the semi-finals of the Canadian National Championships.

Despite her long playing career, Sue is no stranger to the coaching ranks. She served as an assistant coach with the Bishop's team which finished second in the 1982 C.I.A.U. Nationals. She is presently technical program co-ordinator with the Canadian Olympic Association. Her enthusiasm, dedication and knowledge of the game of basketball will be a definite asset for the Stingers.

CONCORDIA CONVERSE CLASSIC

TOURNAMENT HISTORY

The Concordia Converse Classic has come a long way since Pat Boland initiated the first Loyola Women's Invitational Basketball Tournament in 1972. The tourney has witnessed many changes over the years, the expansion from four to eight teams, the merger of Loyola and Sir George to form Concordia, and a constant influx of talented players and teams. One thing, however, has remained constant in its eleven year history, the Converse Classic offers the finest in women's basketball. For example, in seven of the eleven years, the eventual Canadian National Champion has appeared in the tournament, yet has won the tourney title just three times. The list of the tournament champions and all-stars is a virtual "who's who" in women's basketball in Canada and the United States.

With the defending National Champion Bishop's Lady Gaiters and four other nationally ranked teams competing, the 12th edition of the Classic indeed looks promising.

Dalhousie won the first invitational, defeating the Waterloo Athenas 61-47 in the final game. The Tigerettes' Joan Selig was named Most Valuable Player and joined team-mates Rose Johnston and Helika Hudiffsky on the All-Star team.

Queen's College of New York City breezed through the 1973 tourney, winning their three games by a total of 76 points. Debbie "The Pearl" Mason's 51 points and her ball-handling wizardry won her the MVP selection.

1975 was the Year of Laurentian, as Norm Vickery's Veas shocked Queen's 46-41, then made easy work of Winnipeg and Lakehead. Loyola's Liz Silcott was the Tournament's Outstanding Player, netting 63 points, while Winnipeg's Chris Critelli established the tournament scoring record with 71 points.

Southern Connecticut became the second American champion six years ago, defeating Laurentian 59-54 behind their powerful center and tournament MVP Marnie Dacko. Dacko is now assistant coach for the St. John's Express. Outstanding individual performances were turned in by Nancy Knowlton of St. Mary's, who scored 69 points in two losing efforts, and Kim Hansen, whose 56 point three-game effort placed her on the All-Star team for the second consecutive year, along with Laurentian's Anne Hurley and Kathy Jennings.

The 1976 tourney was perhaps the most competitive and exciting to date with 14 members of the Canadian National teams in action and three of the eight teams competing, later advancing to the Nationals, including the national champion Laurentian Veas. Concordia, sparked by the outstanding performances of Liz Silcott, Sylvia Sweeney and Elaine Betchinski upended the Veas 72-67 in a close, exciting final before a SR crowd.

The following season appeared to be a rematch of 1975 as Southern Connecticut and Laurentian once again locked horns in the final, only this time Vickery's squad upended the Owls 60-54 behind Critelli and Jan Trombly. However, the most exciting game of the tourney occurred in the semi-finals when Laurentian defeated U.N.B. in double overtime.

Laurentian, behind the M.V.P. performance of Sylvia Sweeney captured their third title in 1978, as they defeated a strong Southern Connecticut team in the finals. Sweeney established a new tournament scoring record with 80 points in three games. Bishop's Debbie Huband, Cathy Clarkson of Guelph, Jody Rajucja and Joan Van Ness of Southern Connecticut were named to the All-Star team.

The 1979 Tournament saw the emergence of Bishop's as a Canadian power as they swept past U.N.B., Southern Connecticut and Dalhousie to their first tourney title. Concordia had their best outing since the 1976 tourney as they captured the Consolation championship by edging U.N.B. in overtime. National team member Debbie Huband was selected as the M.V.P. while Anne Lindsay and Carol Rosenthal of Dalhousie, Linda MacPherson and Joann Bourque of Concordia, Clarkson of Guelph and Dian Beauchamp of Southern Connecticut were named to the All-Star squad.

The Bishop's Gaiters became the first team to win back-to-back titles as they downed St. John's University in an action packed final. Bishop's Sue Hylland and Andrea Blackwell joined St. John's Debbie Beckford and Rita Haywood and Joanna MacLean of U.N.B. Joann Bourque scored 78 points as she sparked Concordia to a third place finish.

The Providence Friars won three close exciting games against McGill, Bishop's and St. John's to captured the 1981 tournament. The Providence duo of MVP Kerry Phayre and All-Star Kathy Finn paced the Friar victories. St. John's Kelly Camp and Debbie Beckford, Lynn Polson of Bishop's and Laurentian's Barbara Tucker were also named to the All-Star squad.

Last year was the Year of the Express, as St. John's head coach, Don Perrelli captured his first Classic Championship after four years as runners up.

Most Valuable Player Debbie Beckford paced St. John's to victories over McGill and Laurentian. Joann Bourque, Barb Tucker, Lynn Polson, U.N.B.'s Sue McMaster and Beth Cochran of Winnipeg, were named to the All-Star team

Warm thoughts for cool nights.

EMERGENCY SERVICE is considered by most Thermoshell customers to be the most important part of Thermoshell's total home heating service. They claim that knowing they can get help in a hurry is real peace of mind. With Thermoshell's Emergency Service, a skilled technician will answer your call quickly. You're assured of a professional job because our thoroughly trained technicians keep abreast of the latest technology in oil-burning equipment. And that means there's not a problem we can't solve.

Thermoshell is more than home heat.

Of course Thermoshell's home heating service is more than just Emergency Service. It also includes an Annual Tune-up, so you can take peak performance and trouble-free operation of your furnace for granted. The Thermoshell Protection Plan guarantees you peace of mind because it provides coverage for vital parts, emergency service and an annual tune-up—all for just pennies a day, and Automatic Delivery, which means you should never run out of oil or ever have to call for a delivery.

Thermoshell. Nice warm help. Now there's a nice thought.

Thermoshell is nice warm people.

The Thermoshell Service Contractor, who does your annual tune-up, is the same person who responds quickly to your emergency call. And dealing with one person is a nice friendly way to do business. You get to know him and he gets to know your home heating system, which means he can correct any problems that come up—quickly and efficiently. What's even nicer is that he will probably turn out to be your neighbour, since, very often, he lives right in your community.

With Thermoshell it's neighbours helping neighbours to get all the nice warm help you need—all the time.

Schenley O.F.C.: the only 8-Year Old that's guaranteed right on the back of the bottle.

Canadian law requires distillers to place a stamp on their whisky bottles showing the year the whisky was distilled.

With Schenley O.F.C., we go a lot further. We certify that our

whisky has been aged in charred white oak casks, for a full 8 years.

We believe 8 years is a perfect aging time for whisky. When it reaches its prime for a smooth, mellow taste.
